EDUCATION

Techno India University	Kolkata, IN
Bachelor of Technology in Computer Science and Engineering	
CGPA: 7.01	Oct. 2022 – Present
Sagarbarh B.S Vidyabhawan	West Bengal, IN
Higher Secondary	
Percentage: 89.6	Jan. 2020 – Feb. 2022

PROJECTS

Restaurant website CSS, HTML, JavaScript	Jan 2026 – Present
- Built a responsive restaurant landing website with structured sections (Home, Services, About, Contact). - Implemented scroll-based navbar effect, CSS Grid & Flexbox layouts, and interactive UI components with smooth transitions and hover animations. - Integrated external libraries (Google Fonts, Remix Icons) to enhance design and user experience.	
Jumping Game CSS, HTML, JavaScript	Sep 2025 – Oct 2025
- Developed a 2D browser-based Dino game, featuring character movement, obstacle animation, and real-time score tracking. - Implemented collision detection logic, dynamic difficulty increase, and keyboard controls for interactive gameplay. - Integrated background music and game-over sound effects to enhance user experience.	
SmartHire CSS, HTML, JavaScript, Python, Django	Oct 2025 – Present
- Built an AI-based Resume Screening and Candidate Ranking System to automate candidate shortlisting using skill matching and similarity scoring. - Implemented weighted evaluation (CGPA, experience, skills, content similarity) for accurate and efficient recruitment decisions. - Integrated LLM-based interview question generation to automate candidate interaction and enhance the recruitment workflow.
